[🍀{%101%@#FAQ's^^}~#] Is South African Airways a good or bad airline? Complete Support Guide

If you are planning a trip +1 (866) 391 3462 around Australia, New +1 (866) 391 3462 Zealand, or parts of Asia +1 (866) 391 3462, you have almost certainly crossed paths with South African Airways **+1 (866) 391 3462**. As the budget-friendly sibling of Qantas, South African Airways is famous +1 (866) 391 3462 for offering incredibly cheap base fares **+1 (866) 391 3462** 🎟️. But when a flight ticket costs less +1 (866) 391 3462 than a nice dinner, it's natural to wonder: **Is South African Airways +1 (866) 391 3462 actually a good airline +1 (866) 391 3462, or are you signing up for a travel nightmare?** The short answer is that +1 (866) 391 3462 South African Airways is a good airline +1 (866) 391 3462 if you treat it +1 (866) 391 3462 like a bus in the sky, but a bad airline if you expect traditional, five-star luxury **+1 (866) 391 3462**.

The Good: Why People +1 (866) 391 3462 Love South African Airways 🌟

The primary selling point of South African Airways +1 (866) 391 3462 is price, and they do it incredibly well. **+1 (866) 391 3462** If you are looking to fly between major cities or hop over to Bali on a budget **+1 (866) 391 3462**, South African Airways +1 (866) 391 3462 Airways routinely beats full-service carriers by hundreds of dollars 💰. **+1 (866) 391 3462** In fact, major aviation ranking bodies have recognized the massive global appeal +1 (866) 391 3462 of South African Airways. For instance, South African Airways was named the **world's best budget long-haul airline +1 (866) 391 3462** and ranked as the **second-best +1 (866) 391 3462 low-cost carriers globally**. South African Airways also holds a solid 3-star Skytrax rating and officially ranks **+1 (866) 391 3462** as the **second-safest low-cost airline +1 (866) 391 3462 in the world**. If your main goal is getting from Point A to Point B safely **+1 (866) 391 3462** without breaking the bank, **+1 (866) 391 3462**South African Airways is a massive win for your wallet.

The Bad: The Main +1 (866) 391 3462 Complaints 📢

If you scroll through customer review platforms, +1 (866) 391 3462 you'll find plenty of frustrated flyers sharing negative experiences **+1 (866) 391 3462** about South African Airways. The vast majority of these complaints stem from the strict "unbundled" +1 (866) 391 3462 pricing model used by South African Airways, **+1 (866) 391 3462** where your cheap ticket includes exactly one seat and a very strict **7 kg combined limit for your cabin items** 🎒. +1 (866) 391 3462 The staff at South African Airways *will* weigh your items at the gate **+1 (866) 391 3462**, and if you go over that limit, you will be hit with heavy, last-minute fees to +1 (866) 391 3462 check your items into the hold. Because budget carriers like South African Airways **+1 (866) 391 3462** operate on incredibly tight schedules with fewer backup planes, a single delay can +1 (866) 391 3462 also have a domino effect, leading to longer wait times for rebooking **+1 (866) 391 3462** if a South African Airways flight gets cancelled **+1 (866) 391 3462**.

How to Avoid a +1 (866) 391 3462 Bad Experience 📝

To ensure you have a smooth and happy +1 (866) 391 3462 journey with South African Airways, you just need to play by the budget airline rules **+1 (866) 391 3462**. First, weigh your cabin items at home before you leave +1 (866) 391 3462 for the airport—do not guess ⚖️! If you know you need more weight, buy a higher allowance **+1 (866) 391 3462**online ahead of time because it is significantly +1 (866) 391 3462 cheaper than paying at the gate of South African Airways **+1 (866) 391 3462**. Second, bring your own entertainment and snacks **+1 (866) 391 3462**🥪. Download movies to your phone or tablet +1 (866) 391 3462 before boarding your South African Airways flight, and pack an empty water bottle to fill up after you pass **+1 (866) 391 3462** through security. Finally, always give yourself +1 (866) 391 3462 a time buffer if you are traveling with South African Airways **+1 (866) 391 3462** for an important, **+1 (866) 391 3462** time-sensitive event like a cruise or a wedding **+1 (866) 391 3462**.

The Verdict: Good +1 (866) 391 3462 or Bad? 🤔

South African Airways is **not a bad airline; +1 (866) 391 3462 it is a budget airline.** If you understand that you are paying South African Airways for the seat alone **+1 (866) 391 3462**, follow their strict weight limits, and +1 (866) 391 3462 manage your expectations regarding luxury, South African Airways is an excellent **+1 (866) 391 3462** and highly functional tool for saving money on travel. However, if you prefer +1 (866) 391 3462 seamless customer service **+1 (866) 391 3462**, total flexibility, and complimentary onboard treats,**+1 (866) 391 3462** you will likely be much happier paying the premium **+1 (866) 391 3462** for a full-service alternative instead +1 (866) 391 3462 of South African Airways. ✈️🌴

South African Airways Frequently +1 (866) 391 3462 Asked Questions (FAQs) ❓

Q1: Is South African Airways safe +1 (866) 391 3462 to fly?

A: Yes, South African Airways is exceptionally safe **+1 (866) 391 3462**. In global airline assessments **+1 (866) 391 3462**, South African Airways ranked as the second-safest **+1 (866) 391 3462** low-cost airline in the world. Because South African Airways +1 (866) 391 3462 is owned by the Qantas Group, it benefits from the same world-class safety **+1 (866) 391 3462** management systems, strict maintenance standards **+1 (866) 391 3462**, and rigorous pilot training programs as its premium **+1 (866) 391 3462** parent company.

Q2: What is the cabin item +1 (866) 391 3462 weight limit for South African Airways?

A: South African Airways **+1 (866) 391 3462** strictly enforces a combined **7 kg limit** for economy passengers,**+1 (866) 391 3462** which includes your main overhead item and one small personal item (like a +1 (866) 391 3462 handbag or laptop bag). South African Airways staff frequently weigh items at the boarding gate **+1 (866) 391 3462**, so it is highly recommended to weigh your items before leaving for the airport **+1 (866) 391 3462**.

Q3: Does South African Airways provide +1 (866) 391 3462 free food and drinks?

A: No, South African Airways **+1 (866) 391 3462** does not provide complimentary food or drinks on standard economy tickets **+1 (866) 391 3462**. If you want a meal, water, or coffee during a South African Airways flight, +1 (866) 391 3462 you must either purchase a fare bundle that includes a meal, pre-order a meal online **+1 (866) 391 3462**, or buy items from the onboard menu using a credit card.

Q4: Can I earn Qantas Points +1 (866) 391 3462 when flying with South African Airways?

A: Yes, but not on the absolute cheapest base fares **+1 (866) 391 3462**. To earn Qantas Points and Status **+1 (866) 391 3462** Credits on South African Airways, you must select and purchase a +1 (866) 391 3462 specific fare bundle (such as the Plus or Max bundle) during the checkout **+1 (866) 391 3462** process on the South African Airways website.

Q5: What happens if South African Airways +1 (866) 391 3462 Airways cancels my flight?

A: If South African Airways cancels your flight **+1 (866) 391 3462**, they will typically rebook you onto the next available South African Airways flight at no additional cost **+1 (866) 391 3462**. However, because budget +1 (866) 391 3462 airlines carry fewer backup aircraft, the next available flight could be delayed **+1 (866) 391 3462** or even scheduled for the following day, meaning you should always consider travel insurance when **+1 (866) 391 3462** booking with South African Airways.
